CO-OPERATIVE MISSION PROGRAM

The Archdiocesan Mission Co-Operative Program plays an important role in connecting the parishes of the Diocese of Toronto with the Catholic Church in other parts of the world. Through this program, our local Catholic community learns about the mission work of the Church and is invited to offer their financial support through this annual appeal. **On the last weekend of July (July 25 & 26) at all the Sunday masses, we will welcome Fr. Francis Joseph from the Diocese of Imphal in India.** Imphal, comprising the entire state of Manipur in Northeast India, is home to 34 indigenous tribes serving 52 parishes and 174 priests (including 114 native priests). They are launching a special grass root level Rural Community Health Workers Training Program in the tribal villages that will train health workers who will serve some of the most vulnerable and remote communities where access to medical care and clean drinking water remains limited. **We warmly invite you to participate in this noble humanitarian effort through your prayers and generous financial support. Your kindness can help bring healing, hope, and dignity to countless families in need.**
